April Sampler

This month's Sampler has taken me a long time to get reviewed, because I'm frankly having a hard time deciding what I like best. Every single item in the Sampler was amazing, and I'm going to have a hard time giving this one way. But I'm going to, because these items need to be shared!

Keep reading for all the details of the Sampler, and to enter your chance to win it!

There's this gorgeous necklace comes from [Sparkle Plenty](#), and who wouldn't want to wear this baby every single day?

These two cards are super cute, no?! The cat is thanks to Catia Chen, and the catfish come from [Don't Press Me](#).

Then there's these three adorable things. The business cards come from [Busy Nest Cards](#), the adorable present tags come from [Kooshis](#), and then there's the Sublime Stitching offerings.

That's not even half of what's in this Sampler, so you'll definitely be getting a ton of goodness. To win the April Sampler, all you have to do is leave a comment here telling me what you'd do with one of these featured items. Except for the Sublime Stitching pack. Because I'm going to be selfish and keep that one. Sorry guys!

Anyhow, get to commenting, as I'll close the contest on WEDNESDAY at 4pm CST. That doesn't give you much time!

^^ I'd use the cards to write to my friend who lives near D.C. He spent a lot of time teaching English in China and he loves artwork. I think he'd love these cards and I really need to write him!
